

Paparazzi is a fun and energising team building event where you and your team take on the role of an Uplift Events' Paparazzi photographer for the day. Armed with a camera, clues and a map, you and your team will make your way all over the city to snap up key photos of celebrities, locations and your team, to try and earn as much money (points) as possible for each of the photographs taken.

Paparazzi is the perfect event to explore the culture of your city while promoting team interaction & creativity.

Uplift Events needs your help, and has hired your organisation to help take on the role of the paparazzi to take these photos. The only issue is that not all these locations are easy to find, and they have been scattered and hidden to prevent the paparazzi finding them. You and your team will have to decipher cryptic clues to find them. Time is of the essence, and the team that delivers the most paparazzi photos at the end of the day will win the title of chief paparazzi!

After your team brief, teams will be given their camera and assignment with a series of cryptic clues and tasks they will have to complete. Each photo and task will attract a certain number of dollars at the end of the event. The team then has to decide which photos and tasks to complete in the timeframe to make the most money from their day's work. Visible team involvement in the activities and photographs are encouraged, which may also involve members of the general public!

Your assignment will be broken down into Activity, Location and Celebrity photos. Activity photos require a photo of the team performing a group specific task. It may also be in the form of a short video. Some may require more creativity and imagination than others depending on the task and location where the photo has to be taken. Some Activity Photos may involve an Uplift Events' staff member who may give you your assignment at that location.

Location photos on the other hand will require teams to track down locations on the map and take a team photo at that location. Lastly, celebrity photos will require teams to track down people, famous or not and have a team photo taken with them.

At the end of your event, you can have the option to have your photos shown on the big screen (screen back at the office or at your conference/dinner) to reflect and see who did the best job as a member of the paparazzi. If you and your team are game and want to have fun and test your creative juices, why not take on the assignment of a paparazzi photographer and explore the hidden hot spots of your city!

- Synopsis:** Armed with a camera, you and your team become a member of the Paparazzi for the day as you take on a fun team assignment to snap up key photos of celebrities, locations and your team. Explore the culture of your city while promoting team interaction & creativity.

Paparazzi Testimonials

“Everyone had a fantastic time at the Paparazzi event organised by uplift events. People were talking about it for days after and commenting on how much fun they had.

We are a very cohesive group anyhow, but I believe it has helped improve this even further, and for people across different areas to get to know their fellow colleagues.

Very professional and all questions answered as required. Very pleasant to deal with

Everything went to schedule both before event and on day

Fabulous fun. Not too hard, but difficult enough to make us have to think a bit.”

Mark
Minifab

“HomeConnect would like to thank you for providing us with a brilliant team-building day!

On behalf of the team, I'd like to extend my gratitude to you and your colleagues for providing a stimulating, entertaining and meticulously organised event. As a new team and a new program, HomeConnect hadn't had an opportunity to get together and bond in this sort of setting – Paparazzi was the ideal setting for us to finally do so! Ultimately, Uplift Events has provided us with the perfect opportunity to get to know one another outside the work setting. It was an invaluable experience.

Without a doubt, we'll be referring Uplift Events to our colleagues and to others within the organisation.”

Josh (Administration Officer)
