Prison Break Testimonials

"The team had a fantastic morning with the team from Uplift Events. All were unaware as to what they would be doing that day, so it was great to see how enthusiastic they all were to participate. Upon finding out they were doing Prison Break, there were a few cheers which was great to hear.

Sam was fantastic in leading the event, his energy & enthusiasm for what he does is awesome. He made the group feel very comfortable with his easy going & friendly nature. It was a fantastic day had by all with feedback from the team afterwards saying how much fun they had.

Thank you Uplift Events & Sam for all your help & work in hosting the event, it was a great day had by all.

It was great to have the two groups mixed with people from different teams to get to know each other & also understand their strengths & weaknesses & how to work together as a team. From a managers perspective it was great to see who took the lead to motivate & get the team going.

Sam was very thorough with the information he sent & the follow up calls also. He made sure to have the paperwork I needed to keep track of. Was great to also have a call just before the event & follow up afterwards.

All the feedback I have had from all who participated was positive they all had a fantastic day

Everyone loved the activities as it got to test their minds a little & think about how to solve the problem

Will definitely look at another event at some point next year for the teams to do."

"Thank you so much for hosting the Prison Break Activity for our team at NAB on Monday January 13, 2014. Everyone thoroughly enjoyed the event and it also helped the newer members of the team to integrate into the team.

The organisation of logistics prior to the event was also extremely efficient, and ensured that everything ran seamlessly on the day.

Thanks again and we look forward to working with you in the near future!"
